LIFESTYLES

PROGRAM TITLE: NEWS 3 @ 4
TYPE: News
DATE OF BROADCAST: July 13, 2007
DESCRIPTION: The paramedics at American Medical Response tell us that heat exhaustion is more common than you think, so it's important to recognize the symptoms -- heavy sweating, muscle cramps, dizziness, nausea, vomiting and even fainting.

ECONOMY

PROGRAM TITLE: NEWS 3 @ 4
TYPE: News
DATE OF BROADCAST: July 10, 2007
DESCRIPTION: On any given day there are several hundred homeless children living on their own, and on the streets. Nevada Partnership for Homeless Youth is hoping to raise 800 thousand dollars to convert an old dental clinic into a 24 hour drop in center for homeless children.
